Congratulations to sixth graders Ryan Clark and Connor Weners for honorably representing Edgecomb Eddy School in the Lincoln County Spelling Bee held on Feb. 16th. These boys were competing against other 6th-8th graders in Lincoln County. Emerging as the victor was a 7th grader from Bristol Consolidated School.

Are you 10-14 years old?

Do you want to learn how to build things from wood?

Have you always enjoyed whittling or making models or inventing things? Have you wanted to make something out of wood that you can keep and use? If so, then spend 4 days with us at the Carpenter's Boat Shop this summer and learn how to design and build things with wood. Past projects have included boxes, benches, stools, and more.

To learn more and to register, visit our [website](#). Both boys and girls are welcome! We also have classes for your parents, too, so make sure they also take a look.

***Due to snow days, the second grade Performance Festival will be held Thursday, March 9th at 2:05pm.
As soon as the first grade Performance Festival is rescheduled, we will let you know.***
