06/19 - Gr. 6 graduation, 9:15am

06/19 - Last day, dismissal at 11am

MS. MULLIGAN ANNOUNCES HER RETIREMENT

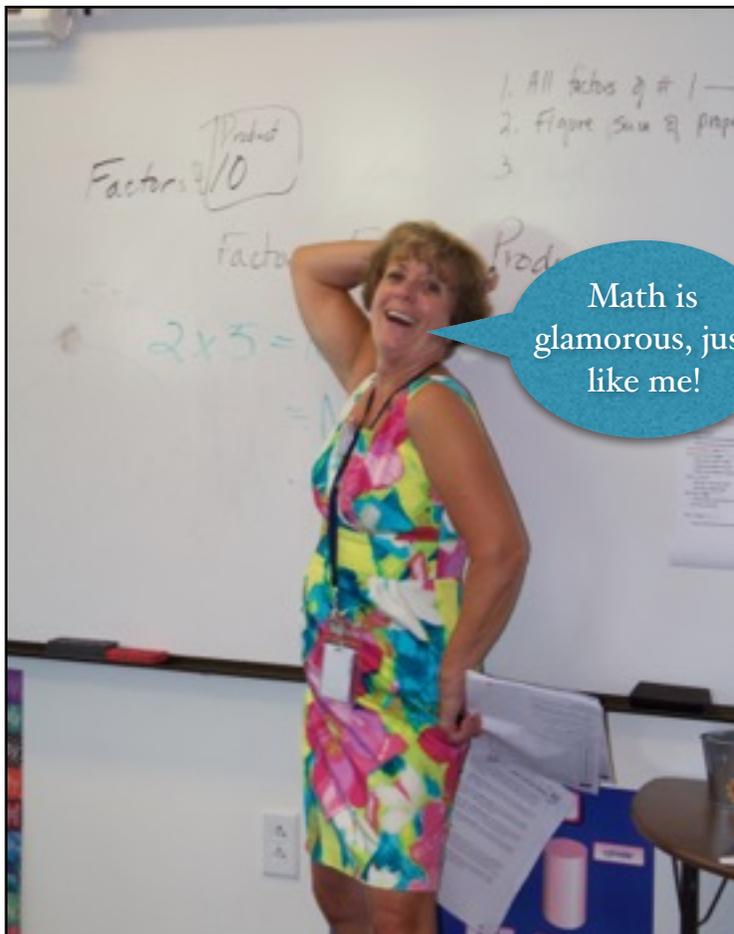

After 30 years at Edgecomb Eddy School, Ms. Mulligan has decided to retire. She is looking forward to spending more time with her son and daughter, their spouses, and her three grandchildren, all of whom live in Massachusetts.

Prior to coming to Edgecomb Eddy, Ms. Mulligan taught math and computer programming in schools in both New York and Massachusetts.

Two years ago, she was honored as one of Maine's Starting Nine teachers, and was nominated for Maine's Teacher of the Year award. Ms.

Mulligan has been a dedicated and highly-respected teacher at EES, and we will certainly miss her! We wish her well in all that lies ahead for her.

Disclaimer...picture and caption printed with Ms. Mulligan's permission (and a little arm twisting).

Teaching assignments and class configurations for next year...

Typically by this time in the school year, students are participating in what we call "Step-Up Day," where they get a glimpse of what they can expect the following year. This spring we are not doing this because there remains some uncertainty about teaching assignments for the 2017-2018 school year. Please know that as soon as this information is confirmed, I will be mailing home letters to make these announcements. This is common practice in most schools. Thank you for your patience.

Visit the Fairy Houses at the Botanical Gardens (June - October in the Storybarn) and check out the collaborative art project that Kindergarten, 1st, 2nd, and 5th grade built. We are now inspired to make our own Fairy Houses this summer!

Fifth grader Finn Gaffney works with kindergarten student Aneurin Smith to make a unique fairy house.

Fairy house made by kindergarten student Lilly-Ann Cowing and Piper Carleton of the fifth grade.

Show some LOVE.

Feel the BEAT.

OUR FIELD TRIP

On Monday, the whole school had an adventurous field trip to see a Japanese play in Boothbay. The play was really cool, and there were supposed to be 8 people in the play, but they pulled it off with only 4!

I think it was a really good play. It was about two parents who had always wanted a child and they received a gift from the earth. It was a glowing light, with a little person in it, and within months, she became a grown woman who always loved the earth. Son, the girl looks for someone to marry, but fails her quest. After, she finds out who she really is and where she came from. It was amazing and I really liked it, and the play was obviously sending an important message...

To never give up and always be kind to the world around you.

by Anna Gosselin, gr. 4

SET FOR SUCCESS

Mark your calendars now for this annual event for area families...Sunday, August 20th is this year's Set for Success event. Located at the Boothbay Region YMCA from 1-3pm is your family's opportunity to collect school supplies, and so much more, your child will need for the start of a new school year. At Set for Success, children receive new backpacks, school supplies, haircuts, clothing, books, eye exams, food items, and much more...ALL FREE!!! As the time nears, watch local papers for more information.

As always, I say thank you, parents, for entrusting us with your children. We wish you and your children a wonderful summer filled with outdoor play, sunshine, and making memories.

Thank you for allowing me to make wonderful memories with your children for many years (ten as principal and many as teacher). I have been blessed. Lisa Clarke

WORTH NOTING...

- ➔ The 2017-2018 school year starts on Wednesday, August 30th.
- ➔ Watch the local papers for information about our bus schedules - this is usually printed in August.
- ➔ Check our website with any updates (www.edgecomb.aos98.net)
