

STATE ASSESSMENT RESULTS FOR 2015-2016

In the spring of each school year, Edgecomb Eddy students in grades 3-6 participate in state assessments in English/Language Arts, Mathematics and for students in grade 5, science. These assessments were given online.

Edgecomb Eddy School snapshot results indicate the following:

In English/Language Arts, we had 57 students participate, which is 100% of our population in grades 3-6. **Of those students, 68.42% of them scored At or Above State Expectations**, as compared to 50.58% of students statewide.

In Mathematics, again we had 100% of our students participating. **Of those students, 67.24% scored At or Above State Expectations**, as compared to 38.31% statewide.

In Science, we had 17 students participate, which is 100% of our fifth grade population. **Of those students, 82.36% scored At or Above State Expectations**, as compared to 60.97% statewide.
